**EXHIBIT F****CONTRACTOR'S MAINTENANCE AND REPAIR DUTIES****MMX, F-Line, E-Line, Third Street, and All High-Level Muni Platforms**

CONTRACTOR's duties for MUNI's F-Line, E-Line, MMX Line, Third Street and all high-level Muni platforms shall include maintenance, and if necessary, repair or replacement of damaged or destroyed shelter or platform components, as described as follows:

1. General cleaning of ramp and entire platform.
2. Graffiti removal and repainting using custom colors, as needed, of all railings on ramp, stairs, and on platform.
3. Graffiti removal and repainting using custom colors, as needed, from any ticket vending machines.
4. Graffiti removal and repainting using custom colors, as needed, from bottom ten feet (10') of any utility pole mounted on or immediately adjacent to platform.
5. Graffiti removal and repainting using custom colors, as needed, of the structural and other platform canopy, and canopy truss cantilever. Steam cleaning of glass canopy roof, and the associated shadow casters for the Third Street platforms, at each platform once a year during the months of June, July or August.
6. Graffiti removal, steam cleaning, as needed, of walking surfaces on the ramps, platforms, stairs, and paving inlays. CONTRACTOR shall contact MUNI prior to cleaning platform which contain art elements to discuss cleaning materials and methods for the art elements.
7. Replacement of damaged components and graffiti removal and repainting using custom colors, as needed, from all platform signs and decals and signage connections, if any (Muni will provide decals), including but not limited to train directional, talking, station identification, street direction.
8. Repair, replacement, graffiti removal and repainting using custom colors, as needed, of platform lighting fixtures. Replacement of bulbs, as needed, for all platform lights.
9. Repair, replacement, graffiti removal and repainting using custom colors, as needed, of seating.
10. Repair, replacement, graffiti removal and repainting using custom colors, as needed, of platform windscreens, anti-graffiti shields, and glass panels. Note: MUNI has a limited inventory of spares.
11. Repair, replacement, maintenance and graffiti removal from all waste receptacles, and waste removal daily if needed. NOTE: MUNI has waste receptacles for all Third Street platforms but may not be able to install them because of security concerns.

12. Repair, replacement, graffiti removal and repainting using custom colors, as needed, of all display cases, including but not limited to advertising, art, MUNI information and other graffiti removal and repainting using custom colors, as needed, from any video monitor and cameras, display, or phones and/or other communications system.
13. Graffiti removal and repainting using custom colors, as needed, of Third Street canopy "marquee" pole, as well as bulb replacement of "marquee pole" beacon light, and lights.
14. Minor repairs, graffiti removal and repainting, as needed, of any portions of platform or passenger shelter not mentioned above. Cleanup of broken glass immediately upon notification; cordoning off of any hazardous area or condition.
15. Prior to cleaning any art elements that have been vandalized (e.g., with graffiti), CONTRACTOR will call MUNI for instructions as to cleaning methods and repainting. MUNI will consult with the Arts Commission prior to giving any instructions to CONTRACTOR. Where fiberglass art panels are contained in display cases, CONTRACTOR will clean the outside of the display cases. The maintenance and repair of the pole-mounted sculpture on the Third Street platforms is specifically excluded from the Contractor's maintenance and repair duties.
16. CONTRACTOR is not responsible for the replacement and/or repair of the "Art Enrichment" components installed on the Platforms (see below); however, if provided with replacement "Art Enrichment" components, CONTRACTOR will install them under the supervision of the Arts Commission and MUNI.
17. Replacement and repair of damaged components of F-Line and E-Line shelters within 14 days unless an extension is approved by the Executive Director/CEO or his/her representative.
18. Replacement and repair of components of Third Street platform not mentioned above damaged as a result of vandalism or malicious intent within 14 days unless an extension is approved by the Executive Director/CEO or his/her representative. MUNI will provide a limited inventory of additional spares and color specifications.
19. CONTRACTOR will not be responsible to repair or replace any telephones, CCTV, NextBus, and Talking Sign equipment. CONTRACTOR will clean these items as required.
20. Contractor will notify MUNI and get prior written approval for access to MUNI tracks and other secured areas.
